MediExcel Reimburses SENTRI Fees

Active MediExcel Health Plan primary subscribers who obtain a NEW SENTRI Pass after March 1st, 2020 can apply for up to a 75% reimbursement of their fees.

Follow these steps:
1. Download our SENTRI reimbursement form from the **MEMBERS** tab at **www.mediexcel.com**

2. Provide a front/back legible copy of your SENTRI Pass with visible issued date. Issued date must be after your MediExcel Health Plan enrollment date.

3. Provide legible copy of SENTRI Pass fee receipts.

Please e-mail required documentation to **applications@mediexcel.com**. You may also mail documentation to 750 Medical Center Court, Ste. 2, Chula Vista, CA 91911. Allow up to three weeks for processing.

MediExcel Offers a Free Medical Pass

MediExcel Health Plan members are eligible to receive a free medical pass with their service copay, significantly reducing their wait time to return to the U.S.

The medical pass is for a single-use and gives the member access to a special lane designated for medical visits. The Medical Fastlane is not affiliated with U.S. authorities and the member will still need to provide necessary identification to U.S. Customs officials. A monthly limit for medical passes applies. The Fastlane program is run by Ayuntamiento de Tijuana and is available at both the San Ysidro and the Calexico West Port of Entry.

Because Your Health is First

Only active primary health plan subscribers are eligible. Please allow up to three weeks for processing. Reimbursement is for a SENTRI Pass acquired after your MediExcel Health Plan enrollment date, with an effective date of 03/01/20. Renewal passes are not eligible. Reimbursement cannot exceed $92 USD, and will be mailed to the address listed on the reimbursement form.
